

IN THE SPECIFICATION

Please replace the paragraph beginning at page 15, line 17, with the following rewritten paragraph:

Figure 9 illustrates an embodiment of the present invention. Referring to Figure 9, step 920, when the Self Organising Map SOM is generated it has no labels, (unlike the SOM of Kohonen). Users require labels to give guidance for exploring the map. In embodiments of the invention the labels 330 are automatically generated to match the particular needs of the users. Users generate a list of results of a search as described with reference to Figure 7 and/or Figure 8. A label 310 is automatically dynamically generated according to the results and used to label the clusters 320 of display points in the area 270.
